

My Feelings Matter Poster Contest

The Children's Mental Health Matters Coalition, a group of parents and professionals dedicated to promoting children's mental health, is teaming up with community partners throughout Wisconsin for a youth poster contest. Creating artwork is one way to support the development of children's social emotional health. The theme of the poster contest is **My Feelings Matter**. The contest commemorates National Children's Mental Health Awareness week in May and highlights its importance all year round.

Teachers, parents and caregivers may use this activity as a way to encourage youth to create art about their feelings and to conduct age-appropriate conversations about the importance of mental health. For more information and resources on how to promote positive mental health for all children, check out the community toolkit:
